

Electronic Communications Address & Consent Form

There are 218 homes in The Seasons. Mailing out newsletters and other information is costly. Postage alone is more than \$100. Printing, envelopes, and labels can cost as much as \$450 - at least twice each year in mandatory mailings/notification to our homeowners.

This year, the state legislature passed a bill that allows mandatory mailings/notifications to be accomplished electronically instead of postal mail. You can help us save money by electing to receive your notifications electronically by e-mail. The legislature requires that you give written permission for this to happen - see [RCW 64.38.035](#).

In order to provide documents solely through electronic means, the Seasons must have your consent in writing. If you choose to receive your required mailings via postal mail, you should select that option below.

Because some owners have not supplied their legal mailing addresses and to ensure the HOA can contact owners in case of emergency, **ALL HOMEOWNERS MUST RETURN THIS FORM COMPLETED** to:

The Seasons
PO Box 5053
Lacey WA 98509
